

## Special Theta Grant/Scholarship

[NOTE: This is not applicable towards Nursing or Acupuncturists' CEU's payment, and is different than scholarships offered if workshops are paid at least 2 weeks prior to classes.]

This Grant/scholarship program is only applicable for those who not only have real financial need, but who are truly interested in ThetaHealing® Technique as a way to change their lives and the lives of others...a real commitment to your personal growth and planetary healing. It's an honoring of oneself and All-That-Is in knowing that you have been given a gift of deep value and that you want to share this with others.

**Grant Forms must be completed at least four weeks before any Basic workshop.** There are only partial and limited financial allocations available **What can be offered will then be divided in half to be applied to both the Basic and Advanced courses taught by me...both courses must be taken within a nine month period to receive the full amount.**

You will be notified 2 weeks before the Basic workshop begins if you have received a Grant.

If you receive a Grant for the workshop, you are:

1. Required to pay for your own housing, food, and what remains from the division of the Grant/Scholarship
2. To show up each day of the workshop on time
3. Distribute, post, or email ten flyers where you feel it would be applicable before and after workshop
4. Help set up before or clean up after (if necessary)
5. Write a testimony of your experience of the workshop for my website within two weeks after participation. You are not required to give your full name.
6. Use the manifestation techniques and belief work taught in the Basic workshop so that you can help fund yourself for the Advance workshop along with the funds from the second half of the Grant. The Advanced workshop will give you the deeper awareness supporting you in being a more skilled practitioner and furthering your ThetaHealing® Technique education.

Proceed to the next page to complete the application.

With care,

*Judy*
